Military Sport Scale Plane <input type="checkbox"/>	Non-Military Sport Scale Plane <input type="checkbox"/>	Working Vessel Unarmed <input type="checkbox"/>	Radio Control Old Timer <input type="checkbox"/>

### PLEASE NOTE THE FOLLOWING

- **Former first place winning models are not eligible for awards in any class.**
- No scale presentations will be left on display table unless secured.
- Owner ID must be on all Scale Presentations.
- All models except Sailplane **MUST** have engine installed and **ALL** models must have radios installed with control surfaces connected.
- You **MUST** leave your model on display until show closes on Sunday.
- Scale models **MUST** be entered in one of the scale classes.
- Scale models without full cockpit detail may be entered in sport classes.
- Documentation for any of the scale airplane or vintage classes will be collected upon registration.
- All scale aircraft classes are judged by current AMA Competition Regulations.
- Vintage R/C is judged per the "VR/CS Concours d'Elegance Judging System" found here: <http://vintagercsociety.org>
- All other classes not falling into the above scale or vintage categories are judged on general workmanship and finish.
- Sailplane is "Sport Type" only. Scale sailplanes **MUST** be entered in one of the scale classes.
- Sailplanes with motors (except ALES\*) must be entered in Sport Plane or a Scale class.
- Entries are limited to one model per person per class, also only one per show team.
- The Exposition has security measures in place, and we take as many precautions as practical to insure the safety of the models. We assume no risk for models entered in the show. The ultimate risk of loss or damage is upon the model owner.
- All models must be removed by 4:30PM Sunday.

\*-Altitude Limited Electric Sailplane

**I have read the above and agree to the terms**
